The State reserves the right to modify Attachment A and/or Attachment B without amendment as necessary to comply with federal or state law or regulation not addressed within Clause 2.1(b) of Attachment B. The State must provide the Tribe notice of the need to update Attachment A and/or Attachment B within a reasonable time prior to the update being completed. All necessary updates will be posted on the MNsure.org website.

5.3 Waiver. If the State fails to enforce any provision of this Contract, that failure does not waive the provision or the State's right to enforce it.

5.4 Contract Complete. The Contract, this Attachment A and Attachment B contain all negotiations and agreements between the State and the Tribe. No other understanding regarding the Contract and this Attachment A and Attachment B, whether written or oral, may be used to bind either party or the Third Party Beneficiary.

The Tribe agrees to indemnify, save and hold MNsure, DHS and the State, its representatives and employees harmless from any and all claims or causes of action, including all attorneys' fees incurred by MNsure, or DHS, and/or the State arising from the performance of this Contract by the Tribe or the Tribe's agents or employees. This clause will not be construed to bar any legal remedies that the Tribe may have for MNsure's or the State's failure to fulfill its obligations pursuant to this Contract. The Tribe will make its staff available to State during audits and allow state observation of Tribe's MNsure-related activities and training.

8. Intellectual Property

8.1 Intellectual property rights. The State owns all rights, title, and interest in all of the intellectual property rights, including copyrights, patents, trade secrets, trademarks, and service marks in the works and documents created and paid for under this Contract. The “works” means all inventions, improvements, discoveries (whether or not patentable), databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, and disks conceived, reduced to practice, created or originated by the Tribe, its employees, agents, and subcontractors, either individually or jointly with others in the performance of this Contract. “Works” includes documents. The “documents” are the originals of any databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, disks, or other materials, whether in tangible or electronic forms, prepared by the Tribe, its employees, agents, or subcontractors, in the performance of this Contract. The documents will be the exclusive property of the State and all such documents must be immediately returned to the State by the Tribe upon completion or cancellation of this Contract. To the extent possible, those works eligible for copyright protection under the United States Copyright Act will be deemed to be “works made for hire.” The Tribe assigns all right, title, and interest it may have in the works and the documents to the State. The Tribe must, at the request of the State, execute all papers and perform all other acts necessary to transfer or record the State’s ownership interest in the works and documents.

8.2 Obligations.

- (a) **Notification.** Whenever any invention, improvement, or discovery (whether or not patentable) is made or conceived for the first time or actually or constructively reduced to practice by the Tribe, including its employees and subcontractors, in the performance of this Contract, the Tribe will immediately give the State’s Authorized Representative written notice thereof, and must promptly furnish the State’s Authorized Representative with complete information and/or disclosure thereon.
- (b) **Representation.** The Tribe must perform all acts, and take all steps necessary to ensure that all intellectual property rights in the works and documents are the sole property of the State, and that neither Tribe nor its employees, agents, or subcontractors retain any interest in and to the works and documents. The Tribe represents and warrants that the works and documents do not and will not infringe upon any intellectual property rights of other persons or entities. Notwithstanding Clause 9 of this Attachment, the Tribe will indemnify; defend, to the extent permitted by the Attorney General; and hold harmless the State, at the Tribe’s expense, from any action or claim brought against the State to the extent that it is based on a claim that all or part of the works or documents infringe upon the intellectual property rights of others. The Tribe will be responsible for payment of any and all such claims, demands, obligations, liabilities, costs, and damages, including but not limited to, attorney fees. If such a claim or action arises, or in the Tribe’s or the State’s opinion is likely to arise, the Tribe must, at the State’s discretion, either procure for the State the right or license to use the intellectual property rights at issue or replace or modify the allegedly infringing works or documents as necessary and appropriate to obviate the infringement claim. This remedy of the State will be in addition to and not exclusive of other remedies provided by law.
- (c) **License Reserved for U.S. Department of Health and Human Services.** Because federal funds are used in funding this Contract, in accord with 45 C.F.R., sec. 92.34, for Works and Documents created and paid for under this Contract, the U.S. Department of Health and Human Services will have a royalty free, non-exclusive, perpetual and irrevocable right to reproduce, publish, or otherwise use, and to authorize others to use, the Works or Documents created and paid for under this Contract for federal government purposes.

9. Workers Compensation

Tribe certifies that it is in compliance with Minn. Stat. §176.181, Subd. 2, pertaining to workers’ compensation insurance coverage. Tribe’s employees and agents will not be considered State employees. Any claims that may arise under the Minnesota Workers’ Compensation Act on behalf of these employees and any claims made by any third party as a consequence of any act or omission on the part of these employees are in no way the State’s obligation or responsibility.

10. Debarment by Federal, State, Departments, Commissions, Agencies, or Political Subdivisions

10.1 Tribe certifies that neither it nor its principals is presently debarred or suspended by the State, or any of its departments, commissions, agencies, or political subdivisions. Tribe's certification is a material representation upon which the Contract award was based. Tribe shall provide immediate written notice to the State's Authorized Representative if at any time it learns that this certification was erroneous when submitted or becomes erroneous by reason of changed circumstances.

10.2 Federal money will be used or may potentially be used to pay for all or part of the work under the Contract, therefore Tribe certifies that it is in compliance with federal requirements on debarment, suspension, ineligibility and voluntary exclusion specified in the solicitation document implementing Executive Order 12549.

11. Publicity and Endorsement

11.1 Publicity. The Tribe may use MNSure and State-created materials. MNSure provides its express approval for Tribe to use the MNSure Partner Badge in relation to activities arising out of the Contract and in accordance with MNSure's policies and procedures. The MNSure Partner Badge is provided to the Tribe by MNSure upon request.

11.2 Endorsement. The State will publicly identify the Tribe as a MNSure Community Assistance Partner, but does not endorse Tribe's products or services. Tribe must not claim any endorsement by the State.

12. Data Disclosure

Under Minn. Stat. §§ 270B.09, 270C.65, subd. 3, 270C.66 and other applicable law, the Tribe consents to disclosure of its social security number, federal employer tax identification number, and/or Minnesota tax identification number. Identification numbers may be used in the enforcement of federal and state laws which could result in action requiring the Tribe to file state tax returns, pay delinquent state tax liabilities, if any, or pay other state liabilities.

13. Termination

13.1 Termination by either Party. Either party may terminate this Contract at any time, with or without cause, upon thirty (30) days' written notice to the other party. Upon termination, the Tribe will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed.

13.2 Termination for Cause. The State may immediately terminate this Contract if the State finds that there has been a failure to comply with the provisions of this Contract, that reasonable progress has not been made or that the purposes for which the funds were granted have not been or will not be fulfilled. The State may take action to protect the interests of the State of Minnesota, including the refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed.

13.3 Termination for Insufficient Funding. The State may immediately terminate this Contract if it does not obtain funding from the Minnesota Legislature, or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the services covered here. Pursuant to Clause 3.2(b) of this Attachment the qualified health plan, Medical Assistance program, and MinnesotaCare program are individually and independently funded from different sources. Insufficient funding for a specific compensation program as identified in Clause 3.2(b) of this Attachment and this Clause will be sufficient to terminate compensation for that specific program. Termination must be by written, fax, or e-mail notice to the Tribe. The State is not obligated to pay for any services that are provided after notice and effective date of termination. However, the Tribe will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. The State will not be assessed any penalty if the Contract is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. The State must provide the Tribe notice of the lack of funding within a reasonable time of the State receiving that notice.

14. Non-discrimination

The Tribe shall comply with the Indian Civil Rights Act of 1968. The Tribe also agrees to comply with the Indian Self-Determination and Education Assistance Act, which provides for preferential employment and training of Indians in programs serving Indians.

15. Counterparts

This Contract may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.
